Find the words in bold capital letters.

Andre **BESSETTE** was born in **MONTREAL, CANADA**.

He had a great devotion to Saint **JOSEPH**.

Andre was weak and often **SICK** as a young man.

Despite this he was eventually admitted as a  
**BROTHER** into the **CONGREGATION** of the **HOLY  
CROSS**.

When illness broke out in Canada, Andre was  
known to **CURE** people. He never took credit saying,  
"I do not cure, Saint Joseph cures."
