

TELLING THE TRUTH (CONTINUED)

13. Andrew's attitude toward the Church at the time was that it was "old fashioned." Would you agree or disagree with that description? Explain.
14. At the end of the day, how did Andrew view his life? Why do you think, even though he was making movies and doing all the things he had set out to do, he still wasn't happy or fulfilled?
15. How did he go about "fixing" that?
16. Take some time to reflect on and answer the questions Andrew asked of himself: *"How am I going to live a life of truth? How am I going to live a life that reflects this Truth that I've been given?"*
17. Andrew said that writing/directing Full of Grace was the first time in his life that he was obedient to what God wanted him to do instead of being obedient to what the world said he should do. How'd that work out for him? What can you take away from this?
