NICHOLAS was born in Italy and was named after St. Nicholas of Bari. As he grew, he wanted to become a **PRIEST**.

He joined the **AUGUSTINE FRIARS** and was **ORDAINED** as a priest in 1270. While in prayer, he heard a voice "To **TOLENTINO**, Stay there."

He was soon sent to the small **TOWN** of Tolentino where he spent the remaining thirty years of his life in **HELPING** the people there.
