JOSEPH was born in a small **ITALIAN** village to poor parents. He wanted to become a **FRANCISCAN** priest but the order did not want him.

His mother convinced the local Franciscan monastery to take Joseph in as a **HELPER** and as time passed, they decided to let him become a **MEMBER** of the **ORDER**.

God worked **MIRACLES** through Father Joseph. He was often seen **RISING** from the ground while saying the Mass and when in prayer.
