**JANUARIUS** was born in **NAPLES**, Italy. He became a **BISHOP** around the time Emperor Diocletian was **PERSECUTING** Christians in Rome.

When he visited the deacons in prison, they were **ARRESTED**, locked up, beheaded and **MARTYRED** for their faith.

Some of his **BLOOD** was preserved in a **VILE**. At certain times of the year, his blood turns bright red and changes to liquid.
